YOUNG WOMAN

How many business con-cerns pay their employes while they are learning the work?

How many offer them per-manent positions afterward with unlimited opportunities for promotion?.

This is what the Telephone company does for any bright, ambitious young woman who wants a position.

It does more than this; the company provides large, clean, comfortable offices in which to work, attractive rest rooms and a surchroom which has for its motto: "The best quality for the least money."

These are only a few of the advantages the Tele-phone Co. has to offer. If you wish to know more of them, apply to Miss Jack-son, of the Telephone Co., 137 Court Ave.
